**YOUR JOURNEY BEGINS HERE:**

We invite you to discover the true Malaysian agriculture innovation showcases all in one venue at Laman Agro MAEPS. Located at the grounds of Malaysia Exposition Park Serdang (MAEPS), Malaysia's Largest and most comprehensive agrotourism park, Laman Agro MAEPS is only 30-minutes' drive from both KL City Centre & Kuala Lumpur International Airport (KLIA).

'Laman' in Malay means park or garden and Laman Agro MAEPS consists of 8 agriculture showgrounds to showcase Malaysia agriculture industry which includes herbs, vegetables, flowers and livestock - indeed making it a worthwhile agriculture experience that will stimulate all your 5 senses while exploring beautiful landscapes and fantastic attractions.

Laman Agro MAEPS is open for public and geared for both adults and children. Come and experience various interactive activities such as honey harvesting, seasonal paddy planting and milling, horse riding, playing with various exotic pets (reptiles, birds & cats), relaxing at spa@maeps or satisfying your taste buds with delicious foods. Laman Agro MAEPS will never let you be amazed with just one element hence making it your once in a life time fulfilling experience.
